	INFORMATION SECURITY MANAGEMENT SYSTEM
	OUR COOKIE POLICY

At ELBİR OTO YEDEK PARÇA İMALAT VE TİC. A.Ş., we use cookies to ensure you get the most out of our websites and to enhance your user experience. If you prefer not to use cookies, you can delete or block them through your browser settings or the detailed cookie removal instructions below. However, we would like to remind you that this may affect your use of our websites. We will assume you accept the use of cookies on our websites unless you change your browser settings. You can find the regulations regarding collected data in the Information Notice on our websites .

Our cookies are used to provide you with a personalized experience while using our websites, to improve our services, and to enhance your experience. There are three types of cookies:

Session cookies: These are temporary cookies. They are deleted when you close your browser; they are not permanent. They are used for purposes such as ensuring the security and continuity of our sites and your visit.

Persistent cookies: These cookies are stored in subfolders on your browser until an action on your part or until the cookie expires. These cookies help our website remember your information and choices on your next visit.

First and third-party cookies: First-party cookies are cookies used by our website. Third-party cookies are cookies installed on your computer outside of our website.

Necessary cookies: These are anonymous cookies set for the proper functioning of <https://www.etsauto.com/en/> websites and to provide their features properly.

Functional and analytical cookies: We use functional cookies to remember your preferences and improve your browsing experience, as well as analytical cookies to see which of our pages attract the most attention, which resources are viewed the most, and to monitor traffic on our sites, enabling us to provide services tailored to that traffic. These cookies are also anonymous.

ELBİR OTO YEDEK PARÇA İMALAT VE TİC. A.Ş. uses session cookies, mandatory cookies, persistent cookies and functional and analytical cookies on its website and/or sites or mobile web.

The cookies used on our sites, other than the mandatory and first-party ones, are as follows:

Google Analytics : A web analytics tool that analyzes how users use the website. Anonymous information, as well as personal data about your use of the website (name, address, email address, IP address), is sent by your browser to Google, which processes it.

can remove persistent cookies and reject both session and persistent cookies by following the instructions provided in their internet browser's "help" file or by visiting " www.allaboutcookies.org " or " www.youronlinechoices.eu ." **If users reject persistent or session cookies, they can continue to use**

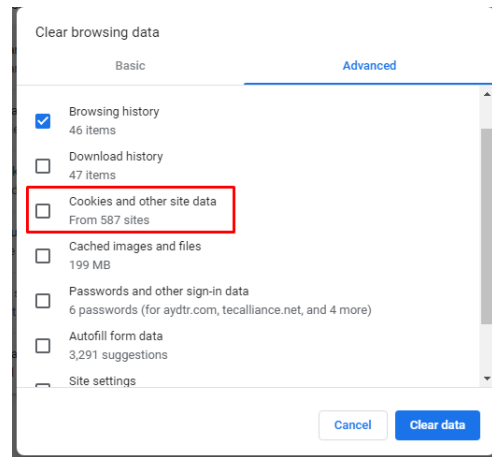

[the](#) website or mobile web in question, but they may not have access to all the functionality of those platforms or their access may be limited.
